Pince & Pints Restaurant and Bar's second outlet in Singapore will be opening on 16 October, bringing to the lively Katong neighbourhood the restaurant's signature fresh, quality lobsters at incomparable prices.

Pince & Pints Restaurant and Bar takes pride in serving the finest live lobsters. Wild caught lobsters are air-flown direct weekly from the Atlantic Coast and stored in Pince & Pints's very own cutting edge deep sea tanks. A curated range of beverages and impeccable service complement the superstars on its menu: The Lobster Roll, light and crispy rolls stuffed with hearty chunks of sweet lobster and seasoned with a house speciality mix of condiments, and the inimitable Live Whole Lobster, served with choice of either grilled or steamed versions and accompanied with sides of chef's salad, straight cut fries and butter sauce.

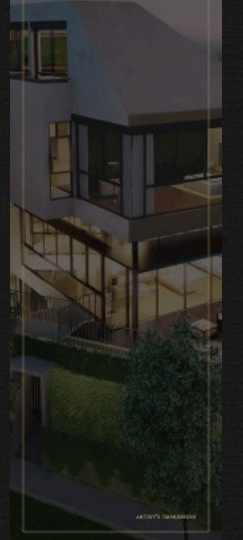

The 60-seater restaurant is nestled along the charming, heritage-rich streets of Katong. Pince & Pints Restaurant and Bar Katong brings with its grand opening two new additions to its communal-friendly menu.

Chomp on a different take of everyone's favourite meat-and- patty combination, The Lobster Burger with its juicy, lip-smacking lobster patty in the middle. Or slurp away on a dish closer to the local's palate, The Lobster Noodles.

A rare opportunity awaits you at The Crown of District 10.
