jazpster Preview of #PinceandPints' upcoming new dish, the absolutely lip-smacking Truffle Lobster Roll (\$68).

-
Blanched then seared in butter and a rich, homemade truffle sauce, flesh of a whole lobster is stuffed into buttered buns, then topped off with fragrant, Italian summer truffle shavings and truffle caviar. And just when you thought it couldn't get any better, it comes with fries and even more truffle sauce - oh, glorious truffle sauce!

-
This new dish will be available from 14 Sept - in conjunction with the opening of their 2nd level.
