thehungrycow Praise the Lord! So happy to have maintained my IPPT silver! During the 2.4km run, I was spurred on by thinking of @pinceandpints' new Truffle Lobster Roll which features the flesh of a whole lobster first poached then soaked in an ice bath before being seared in butter and topped with shaved black truffles! #moöhehe #decadentrunningmotivations #lobster #lobsterroll #igsg #sgfood #sgig #ippt
