8days_eat Yes, it's hazy. But it's Friday - time to celebrate! Perhaps with this decadent new Truffle Lobster Roll (\$68)? It ain't cheap, but you pay for what you get: the sweet flesh of an entire lobster seared in butter & truffle sauce, then dolloped with truffle "caviar" + some of the shaved fungus. All on an exceedingly buttery, soft roll. Ridiculously yum, concludes @fiofongsg #lobster #lobsterroll #8dayseat #food #instafood #sgfood #foodpic
