**Bibik Gourmand**

Limited-time-only offer of truffled #lobster roll! There's truffle paste, truffle oil and \*black truffle shavings in/on the roll and, if that's not enough, there's more truffle paste and truffle oil in the sauce (served on the side). Costs \$10 more than the signature lobster roll. If you don't mind truffle oil, it's pretty #yummy. Available from 14th September 2015 . We tried it last week.

Note: \*China black truffles
