explodingbelly The hippest place to be for dinner got to be @pinceandpints!

Today will be the launch of their TRUFFLE LOBSTER ROLL (\$68) and really, you don't want to miss it. If you're not a fan of truffle, there's still the classic lobster roll for you, steamed lobster or the one in chili crab sauce (WITH MANTOU!). I don't see why you wouldn't head down there for dinner!

Because I WILL DEFINITELY BE THERE FOR ALL THESE LOBSTER GOODNESS.
