Early celebration for the short week!
Lobster meal to end the night.

Pince & Pints @pinceandpints still serves some of the best #lobster rolls and lobster dishes in town.

With the truffle season, comes their limited time #Truffle Lobster Roll that will be available from 14 Sep to end Jan only.

Hurry!

Loving the generous amounts of shaved truffle and truffle bits in the truffle sauce. Truffle and lobster indulgence combined in one meal.*burp*

And so nice to catch up with @vickilma too!
