Blessed with this delectable platter of
#Lobster Yusheng by @pinceandpints.
The generous chunks of fresh steamed
whole live lobster were so good. Tummy
is so happy now.

Do you know what is Yusheng? It's sort of
like a Chinese style salad dish and eaten
during new year celebrations. Each
ingredient has a good meaning and it is
believed that the higher you toss them
(while mixing) the more luck you will
have!

Here is tossing to a year of abundance,
good fortune and happiness!
@pinceandpints is taking preorders till 29
Jan 2016 only! Hurry!
