A place for fresh and quality Lobsters restaurant has just opened a NEW outlet on 16 October 2017 located just opposite Katong i12!

Their Lobsters are air-flown direct weekly from the Atlantic Coast, stored in their deep sea tank to ensure the lobsters served on the tables are at its freshest!

This is my new love, the upgraded version of the Lobster Roll, recommending their "The Truffle Roll" (\$68.00++) that served not only the Lobster but includes Shaved Truffle and Truffle Caviar!!
