thelollychase Anyone a huge fan of lobsters? The newly opened [@pinceandpints](#) at Katong will satisfy those cravings 🍷 AND leave you wanting more! They've got lobsters in several ways - grilled, steamed, in chilli crab etc. [#lobstersgalore](#) [#itsSOfresh](#) . Our favourite lobster flavours were definitely the lobster rolls and grilled lobster, check out my IG stories for more 🍷
👉 ps. Cheese lovers, Make sure you order the side of lobster mac and cheese too 🍷🍷
