yongweikai [New] Live Whole Lobster // Pince & Pints

Have always wanted to try @pinceandpints but never got the chance, and now I've finally tried! Walked into their new outlet at Katong with high expectations and left the place with an amazing & memorable experience! This Live Lobster was sweet and very fresh, and the sauce just enhanced the freshness of the lobsters. Can't wait to share with you all this new outlet at Katong in my blog! Thanks @pinceandpints and @protegieconsultancy for having me:)
