zanthrea Pince and Pints has just opened its second outlet at 95 East Coast Road. .

These two items were my favorite during the tasting:

♥️ The Lobster Noodles (\$58++)

Wok fried noodles served with lobster. A tad salty but it's so addictive we couldn't stop munching.

♥️ Lobster Roll (\$58++)

This doesn't need any introduction. The lobster was fresh. The bread was buttery and warm.

Definitely worth a visit!

Thanks @pinceandpints for having us.
